

Pepper Spray Wholesale

Are
you looking to buy wholesale pepper spray?

We get all of your pepper spray
direct from the factory. Are interested in re-selling the best pepper spray on
the market as well as patented stun guns?

Do you need us to drop ship?
If you prefer not to stock product and need us to drop ship for you.. no
problem. We will send your orders to your customers with your label on it
making it look exactly like it came from you. We will not put any of our
information on the box. label you want on them. This will save you the
time and expense of receiving the product and reshipping it. We will be
your perfect partner.

We will offer you the lowest price
that you can find anywhere. We have years of experience being a wholesale
pepper spray and stun gun partner. Give us a chance to prove ourselves.
Please call us at 501-436-4345 or
email us.
